

CONTEXT DATA!
GLOBAL DATA!
LOCAL DATA!

Infobel Social Places

THE BEST SOCIAL DATA WORLDWIDE
FOR MY PRODUCTS AND SERVICES

OUR SOLUTION

Acquire data on social points of interest

Infobel Social Places is the business and points of interest (social) database for global- and geo-search sites or for vertical sites.

Our added value

With a reliable database of more than 38 million social points of interest in 72 countries worldwide, Infobel provides quality data updated on a daily, weekly or monthly basis.

All our businesses and points of interest are categorized into around forty social segments that include both rich and granular information, which gives a full view of a business' activity at a local level.

The ideal solution for:

- Research engines
- Local research sites
- Cartographic research sites
- Cartographic research sites Internet sites specialised in professional sectors, etc.

Data access:

- At Infobel via InfobelPro API
- Delocalisation of data at client sites (for "company" data only)

Type of data:

- Private
Name, first name, address, telephone number, fax number, x,y coordinates
- Company
Name, address, professional categories, telephone number, fax number, x, y coordinates, website, email, logo, opening hours, etc...

.....
