# Web links & signals

THE BEST WEB LINKS & SIGNALS FOR  
PROSPECTING AND MARKETING

## OUR ADDED VALUE

Increase your market share by using web links & signals

Infobel is the only company able to provide the kind of highly detailed information that allows you to better understand and better target your existing and potential customers, and to gain a better understanding of their products.

Based on the information provided by the companies themselves on their websites, Infobel analyses and structures this information and links it to signal data on these companies in order to enable you to BETTER reach them in the context of your traditional canvassing process

## The Infobel solution

We offer this profiling for the countries listed below together with the number of businesses for which we can provide the detailed criteria in the 3 different PACKS

Countries and numbers of businesses:

All countries

Web + Pack	Social Pack	E-commerce Pack
